The Road Less Travelled with Back-Roads Touring Co

Picture a touring holiday which delves that bit deeper. One that doesn't simply drop by top sights and major cities – but one that invites you to see a destination through the eyes of the people who know it best: the locals who call it home. Back-Roads Touring has spent over 25 years creating small group tours. They know that the best kind of adventure is one that introduces you to immersive experiences and sights that last a lifetime, as well as giving you time and space to explore. Their experienced local guides share stories and secrets, turning an exciting getaway into something truly extraordinary. They'll show you the perfect position to see the sun set over a city skyline, and point you towards the exact patch of coastline where you can try oysters, straight off the boat. Discover the Back-Roads difference with inspiring tours of UK and Europe.

Small groups of up to 18 people

With tour sizes of up to 18 people, Back-Roads Touring leaders can ensure a more personalised experience. It also means they can guarantee tours will run once four guests have booked.

Leisurely paced itineraries

Authentic local experiences

Truly getting to know a destination means stepping off the typical tourist track. From hidden-gem attractions to local favourites, you'll have time to seek out genuine experiences that takes you to the heart of each region as well as its culture.

Boutique hotels

Whether it's a classic country inn or an elegant chateau, each day's journey ends in a hotel with plenty of character. Back-Roads Touring opt for accommodation that reflects the personality of the local area, and fits right in with its surroundings.
